

2019 Annual Fund

Gorton is your Community Center

Be a Gorton donor.

After three years of being Executive Director, I can tell you there is no such thing as a typical day at Gorton. On a recent Saturday, we produced a sold out concert in the John & Nancy Hughes Theater, housed a casino fundraiser for a local nonprofit in the Stuart Community Room and a 50th birthday party in the Grotto. At the same time, on the 2nd floor, little ballerinas were practicing and adults were creating in an art class!

This activity is a direct result of the extraordinary generosity I've witnessed in this community. From the talents of our hundreds of volunteers, to the enthusiasm of thousands of attendees and the strong support of our annual giving and producer programs, Gorton's ability to thrive is because of people like you!

Because of what happens here, neighbors connect and lives are enriched. Gifts to our 2019 Annual Fund provide 25% of our annual operating budget. As one of the few nonprofit community centers in the nation, every dollar truly does make a difference in our ability to provide our community with the best possible programming. Please consider supporting your community by supporting Gorton Community Center.
